## WELCOME

We are glad you have chosen Christ Mission College (CMC) as your training institute. The time you spend here along with other students will result in great changes in your life. Our prayer is that you will develop into the person that God can truly use for His glory, anywhere in the world.

CMC holds that every student, upon signing the application for admission, is under moral contract to the school regulations when that student enrolls in the school. Consequently, each student is responsible for disciplining himself or herself to live within the limits of the school rules. Because the student body is composed of persons who are devoted to Christ and who consider Christian submission and humility valuable assets to the building of strong character, students should discipline themselves to comply with the campus policies. The Administration, Faculty, and Staff are available to help with self-discipline problems.

This Handbook has been prepared to introduce you to life as a student. In it, you will find information about the purpose and policies related to your student goals. Your conduct as a student will be evaluated according to the standards found in this handbook.

Remember, you have voluntarily applied to attend CMC. Along with this privilege comes the responsibility to abide by the rules and to uphold those standards wholeheartedly at all times in conversation and conduct, both on and off campus.

CMC has identified and prioritized seven core values that define our institute:

Submitting to Christ's example of sacrificial service to see His Kingdom expanded for the benefit of others.  
Preparing individuals for service in the church and community through practical face-to-face ministry.  
Guiding all life and ministry by the teachings and patterns of the New Testament including A/G doctrine.  
Equipping all believers/students to lead by doing their part in personal small group disciple-making ministry.  
Encouraging each believer/student to regularly use their spiritual gifts to build up Christ's body the church.  
Honoring and building up the family of God by providing for the needs of the church and community.  
Seeking to discern and follow the Holy Spirit's guidance by supporting all ministries in dedicated prayer.

## THE CALL TO CHRIST AND HIS MISSION

Our passion and purpose is Jesus Christ. When anyone comes to Christ, they are a new creation. Old things are passed away; all things become new (2 Corinthians 5:17). In this kind of relationship with Christ, you begin an exciting new life with His passion and purpose in you!

### All are Called to Christ

Christ Mission College believes that all are called to follow CHRIST and His MISSION in the world (Matthew 16:18, 24). The same call Jesus gave his first disciples applies to us today. It is greater than your career path or call to ministry. God created you for the purpose of first being His own son or daughter (John 1:1-4, 12, 13). Then you become a part of God's great plan to show more of Christ in our communities, our nation, and the nations of the world.

Jesus Christ as the Lord and Savior is the only hope of the world. He is the Truth, the Word of God, and the Key to all Scripture (John 14:6; 1:1; 5:39) which is the Bible, the written word of God in both the Old and New Testaments. Jesus is also Love (1 John 4:8, 9), who forgives our sins and heals our broken hearts, minds, and bodies. He gives us hope when we are hopeless and breaks our addictions. We love Him because He first loved us. (1 John 4:10)

### Your Journey of Faith

Your journey of faith begins by hearing and receiving the message of Christ (Romans 10:17). This call leads you to a salvation experience (Romans 10:9; John 3:16) when you confess Jesus as Lord and enter a relationship with Him followed by obeying Him in water baptism (Acts 2: 38-41) as a public testimony of your faith. Your call continues with a promised baptism in the Holy Spirit experience (Luke 24:46-49; Acts 2:1-4) who empowers you throughout life with the ability to faithfully serve Christ and fruitfully fulfill His mission in the world (Matthew 28:18-20).

### *Growing as a Daily Disciple*

God has destined us to be more than just Sunday Christians. CMC is committed to your journey of faith in a community of faith to see you grow as a Daily Disciple through a process of Biblical higher education and practical experience. Your participation in this process is intended to develop you into becoming:

1. Educated Biblical Believers
2. Spirit Filled Christians of Character
3. Disciples Who Make Disciples
4. Church and Community Servants
5. Multicultural and Missional Ministers

We look forward to walking with you as your family, the CMC Community. Together we will grow in this exciting journey with Christ to see the great things God has purposed for our lives!

### **THE CMC COMMUNITY**

It is the intent of Christ Mission College (CMC) that all we do in classroom learning, co-curricular programming, and relationship building reflects the unique mission of this College. CMC is endorsed by, aligned with, and committed to the General Council of the Assemblies of God as our parent organization including its doctrinal statements of 16 Fundamental Truths and Assembly of God (A/G) Position Papers which are rooted in Evangelical, Holiness, and Pentecostal traditions regarding the interpretation of Scripture.

As a community, Christ Mission College (CMC) supports particular policies, procedures, and actions that facilitate healthy Christian living among its members. These boundaries are guided by our commitment to uphold biblical principles of conduct, our Assembly of God denominational perspective, and practices that promote considerate Christian community interaction. As such, CMC students are responsible for knowing and abiding by the standards; however, if that is your only guide, you will have missed the point. We seek to nurture an environment where our lives reflect Christ. May our ultimate guide be to operate from the inside out, with love from a pure heart, good conscience, and sincere faith (1 Timothy 1:4-6), so that we may reflect kingdom living, as described in Matthew's gospel (5:48 MSG): "In a word, what I'm saying is, Grow up. You're kingdom subjects. Now live like it. Live out your God-created identity. Live generously and graciously toward others, the way God lives towards you."

### **CMC COMMUNITY COVENANT**

All Members willingly choose to become a part of the CMC community, and upon voluntarily making that choice, commit to growth as they purposefully and intentionally live to love God and serve others. Additionally, for the duration of their tenure at Christ Mission College (CMC), students pledge to abide by the community standards described in this Student Handbook known as the CMC Community Covenant.

### **DISCIPLESHIP IN THE CMC COMMUNITY**

We are a community that offers support and healing for people struggling in various areas of their spiritual life. CMC will take into account whether the student is sincere in pursuing assistance or if disciplinary action is necessary. A redemptive process of counseling and guidance is available to those students who genuinely desire restoration as they continue with their commitment to the CMC community.

## **OUR HISTORY**

Christ Mission College, formerly Latin American Bible Institute, was the result of the fervent prayer and great faith of the Rev. H. C. Ball and his devoted wife, Sunshine. LABI opened its doors for the first semester of classes on November 8, 1926, in the annex of Templo Cristiano at El Paso and South Cibolo Streets in the city of San Antonio, Texas. The first commencement was held in May of 1928. Since then, LABI, now Christ Mission College, continues to graduate students who take their place across the city, state, and world, accomplishing the Lord's work. As students continued to show a desire to serve the Lord, the school was moved to Saspamco, Texas, eighteen miles south of the city due to limited accommodations. In the fall of 1945, LABI opened its doors at the corner of Shultz and Padilla streets in El Paso, Texas, to accommodate, once again, a growing student body. Thirty-six years later the need arose again, and the school was moved in the summer of 1981 to the place of its cradle and its present location in San Antonio, Texas. In December of 2016, the board revealed the college's new name, Christ Mission College. Our graduates continue to build the Kingdom in a very special way, laboring for the Master as pastors, evangelists, Bible School Teachers, and as efficient lay members in the local churches. Others have gone to foreign fields. We praise God for CMC.

## **OUR MISSION**

CMC passionately develops a student's God-given potential in a process of Biblical higher education, discipleship, and practical experience for sacrificial service in the church and community to expand God's kingdom in the world with the Holy Spirit's power.

## **OUR VISION**

Our vision is to see CMC dare to dream big to fulfill the dreams of a new generation of ministers by forging ahead to achieve re-affirmation of Accreditation within three years, enlarging our enrollment to 150 students, extending our scholarship opportunities, expending our efforts to significantly upgrade the campus, expanding the community of participating churches to include more scope and diversity, and excelling across Texas and the U.S. as a quality school offering affordable practical ministry training that will deploy our graduates without debt into service in the church and community.

## **OUR PURPOSE**

CMC recognizes the imperative of preparing Christian workers to complete the Great Commission (Mark 16:15; Matthew 28:19, 20). Our primary purpose is to provide baccalaureate level Church Ministry training at a central campus to qualified Hispanics and other diverse believers who desire to fulfill the mission of God in service to the church and community throughout the world. Our Church Ministry training is approached through sacrificial service, involvement in practical face-to-face ministry and the application of biblical principles and patterns. CMC seeks to train ministers for the Assemblies of God as well as other evangelical churches while maintaining a quality program following guidelines of the Alliance for Assemblies of God Higher Education (AAGHE) and of the Association for Biblical Higher Education (ABHE).

## **ACCREDITATION**

Christ Mission College was granted initial accreditation with the Association of Biblical Higher Education [ABHE] in 2020. ABHE is a national accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education [5850 T.G. Lee Blvd, Suite #130 Orlando, FL 32822; [www.abhe.org](http://www.abhe.org), 407-207-0808].

## **OUR INSTITUTIONAL LEARNING OUTCOMES**

1. Students will become educated Bible-based believers.
2. Students will become Christians of growing character.
3. Students will become Spirit-filled disciples and disciple makers.
4. Students will become family, church, and community servants.
5. Students will become multi-cultural and mission-focused ministers.
6. Students will integrate a broad knowledge in general education for a Christian worldview.

## **OUR DECLARATION**

We are Christ Mission College (CMC), and this is our Declaration: We purpose to seek God with an intense passion and to strive today to take steps of faith towards personal and corporate revival. Those who have come before us have passed the torch of God's plans for CMC. We take that torch to stand as examples of God's divine purpose and allow its flames to burn down the strongholds of anxiety, shame, bitterness, envy, strife, jealousy, selfishness, gossiping and negativity. We will not be content to accept mediocrity in our spiritual advancement. We refuse to allow our circumstances to defeat us. We are determined to press forward. We will take up the armor of God to fight God's battles. We will discipline ourselves to study, to pray and to serve. We pledge our total submission to God's will. We will not turn back. We dedicate ourselves to unity and we will leave no one behind. Today's passion of pursuing God's dwelling place will birth the supernatural and a vision for victory! Let it be said in years to come that one day, today, God's people, at CMC, assembled for war, drew up the battle lines and cried out in a loud voice "WE WILL STAND AND FIGHT!"

## **OUR PLEDGE**

The Administration, Faculty and Staff of CMC have been chosen by God to be your spiritual leaders during your stay here. We are here to teach and guide you in your spiritual growth and development. We are, therefore authorized to call attention to any infringement of the rules and regulations of CMC as well as any Biblical principles or standards.

## **OUR MASCOT AND SCHOOL COLORS**

CMC's mascot is the Bald Eagle, and the school colors are blue and gold.

## OUR ALMA MATER

1

Hoy damos gracias al Señor por nuestra Institución;  
Por los maestros que escogió para traernos bendición.  
Con obra y con palabra, han sido nuestro ejemplo  
Dios quiera así premiarles por su labor.

Chorus

Mi Escuela donde pude saber más del Maestro;  
Lugar de refrigerio, de visión, amor y santidad,  
amor y santidad.  
Escuela, son tus hijos, que hoy cantan de tus glorias,  
De todas tus proezas que el Señor a ti te concedió.

2

Es San Antonio, la ciudad de nuestra institución  
Es CMC el triunfo hoy de nuestra bella y gran visión  
¡Celebra con nosotros, evento tan glorioso!  
¡Levanta tu bandera y alaba a Dios!

Lyrics by Amparo Vargas. Music set to hymnal 37 of "Joyas Favoritas" from C.H.Morris.  
Originally written in 1967, El Paso, TX

## OUR FIGHT SONG

Christ Mission College you must go forward  
The Lord will open a door for you!  
In the land of giants, you'll be a conqueror.  
Victory is waiting, Go onward! Go! Go! Go!

Querida Escuela, sigue adelante,

## ACADEMICS

Students are strongly encouraged to apply themselves diligently to their studies, never allowing outside activities to distract them from the main educational purpose. A half-hearted effort is not befitting a true Christian, particularly when believers are issued such a serious commission by their Lord. Since the Bible is the textbook at CMC, the following admonition of Paul should be taken to heart, "Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth." II Timothy 2:15

### Academic Advising

The Academic Office will assist students in coordinating and planning the program of studies. Students should feel free to consult with the Vice President of Academics throughout the year.

### Hours of Study

For every hour of class attendance, a student should devote approximately two hours to study. Since most CMC students are taking 15 hours of classes, they should plan on approximately 30 hours of outside study. Preparing a time budget at the beginning of the semester is recommended.

### Adding/Dropping Courses

Each student is responsible for the program he selects when he/she registers. Changes may not be made thereafter without filing an Add/Drop Form in the Registrar's Office. A charge is placed on the student's account for all Add/Drops. Students that fail to follow the correct procedures in withdrawing from a course will receive an "F" for the course and are not eligible for any refund.

During the first week of each semester, a student may add/drop a course without penalty but must pay a fee. No classes will be added after this point without approval from the instructor and the Academic Director. A class dropped during the first four weeks is not entered on the transcript. A class dropped, after the first four weeks, will appear on the transcript as a Withdraw Passing (WP) or Withdraw Failing (WF).

### Leave of Absence

Written requests for a leave of absence will be considered, and such a leave may be granted to students at the discretion of the Academic Office.

### Withdrawal from the School

All students withdrawing from CMC must secure official forms from the Academic Office and Business Office. These forms must be signed by the student's advisor, the Registrar, the instructor of each class, and the Librarian. Forms must be returned to the Business Office for an official withdrawal to take place. Students failing to follow the correct procedure in withdrawing are not eligible for any refund and will receive an "F" in all courses.

### Classification of Students

Class standing, which classifies students for both academic and social activities, is determined on the basis of the accumulated number of credits applicable toward graduation at CMC in keeping with the following chart:

Freshmen .....	0 – 29 hours
Sophomore .....	30 – 60 hours
Junior .....	61 – 90 hours
Senior.....	91 – 120 hours

### Mandatory Vaccinations

Effective January 1, 2012, the Texas Legislature passed new regulations (with limited exceptions) that affect all students registered in a Texas college or university. Please read the following very carefully:

Meningitis Vaccination (state requirement):

- All new or transfer CMC students wishing to take classes on CMC campus must have received the Meningitis vaccine within the last 5 years. **If the student is over the age of 21 then this vaccination will not be required.**

- CMC students who do not attend during a fall or spring semester but wish to return to classes must also receive the Meningitis vaccine.
- Students wishing to take on-campus classes must receive the Meningitis vaccine.
- You are strongly encouraged to receive the vaccine as soon as possible at your local clinic or doctor's office. You must obtain the vaccine at least ten (10) days prior to beginning classes and/or moving into CMC housing.

#### Tuberculosis (TB) Skin Test (CMC requirement):

- All new or transfer CMC students wishing to take classes on CMC campus must receive a TB skin test within one year of beginning classes. If the student is over the age of 21 then this vaccination will not be required.
- CMC students who do not attend during a fall or spring semester but wish to return to classes must also receive a TB skin test within the last year.
- Any student regardless of program wishing to take on-campus classes must receive the TB skin test.
- You are strongly encouraged to take the test as soon as possible at your local clinic or doctor's office. You must obtain the test at least ten (10) days prior to beginning classes and/or moving into CMC housing.

#### Other vaccinations:

In addition to the Meningitis and TB skin test, all students are required to submit proof of the following:

- MMR (measles, mumps, and rubella)
- Polio (if under age 19)
- The influenza vaccine is also strongly recommended for all students.

Students should submit official documents from a doctor's office or medical clinic indicating they have received the vaccine and have had the TB test administered and read. Documents should be submitted as soon as possible and before arrival on campus. Students will not be allowed to move into CMC housing or begin classes until these requirements are met.

By state law, students are able to receive an exemption from vaccinations. Exemptions may be granted by submitting: Signed certificate from a physician indicating that in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student, or Affidavit signed by the student and notarized stating that the student declines the vaccination for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services must be used.

#### **Incomplete Semester Grade**

An incomplete grade (Inc.) will only be allowed in emergencies with prior approval from the Academic Office. The student will be allowed 30 days to complete the work. Any work not completed within the 30-day period will be given a failing grade (F). Unfinished work not granted the incomplete status will be given a failing grade (F).

#### **Honors**

Degree candidates must have completed at least 60 credit hours at CMC, and they must have at least a 3.50 GPA. The specific honors levels are as follows:  
 3.50 - 3.69 GPA = Cum Laude  
 3.70 - 3.89 GPA = Magna Cum Laude  
 3.90 - 4.00 GPA = Summa Cum Laude

Other students that are honored on a semester basis must meet the following criteria:

3.50-3.74 GPA for Dean's List  
 3.75-4.00 GPA for President's List

These lists are published at the end of the semester to honor all full-time students who earn a GPA of 3.5 or better. The GPA is calculated on 12 credit hours or more.

Other honors are periodically awarded in special circumstances for other areas of academics or student life.

## **Reporting of Grades**

Students who are failing a course are to be notified by the instructor in a counseling session at mid-semester and may be required to meet with the Vice President of Academics. Grades will be issued within two weeks from the end of the semester to students whose accounts are paid in full.

## **Graduation Requirements / Diplomas**

Diplomas will be granted only to students who have obtained the number of credits required in the course catalog. All graduation candidates who qualify to graduate are required to participate in the CMC commencement ceremony. All accounts must be paid for in full in order to participate. Diplomas cannot be granted to students with outstanding debt to CMC. Diplomas will be mailed. (See catalog for more information).

## **Academic Integrity**

Students are expected to be honest in fulfilling all academic requirements and assignments. This pertains to examinations, themes, book critiques, reading reports, and any other assignments given by the instructors. Dishonesty includes cheating on assignments or examinations, plagiarizing i.e., misrepresentation of another's work as one's own original creation, submission of the same (or essentially the same) papers in more than one course without the prior consent of all professors concerned, and sabotaging another student's work. Dishonesty will result in an "F" grade in the course and further disciplinary action could result. (Refer to "major infractions" section of this handbook).

## **Make-Up Work**

Make-up work may be required for any absence. However, hours of make-up work cannot be accepted as hours of class attendance.

## **Transfer of Credit**

Students who transfer from approved institutions of higher learning will be given credit for work done in these institutions insofar as the work applies to the requirements of the curriculum pursued at CMC. Only work with a grade of C or better will be transferred.

Hours towards a diploma at CMC may be taken by transfer of credit or nontraditional credit, including correspondence courses. Any exception to this rule must be approved by the Administrative Committee.

## **Transferring Credits Policy**

1. Grades lower than a C- will not be accepted for credit.
2. Transfer students may transfer up to 75% of applicable course work; therefore 25% of their degree must be completed at CMC.
3. A minimum of 30 hours must be upper-level credit courses.
4. The credit hours of the course to be transferred must be at least 2/3 of the credit hours of CMC course. For instance, one credit hour course should not be transferred for a three-credit hour course as they are most likely not equal in content. However, if two or more courses are similar in content and meet the requirements of CMC course, they may be transferred in to fulfill the requirement.
5. An ACT/SAT is required before admission. Scores are only valid for five years.
6. English Development: Upon initial enrollment, students with an ACT English score of 16 or below, or an SAT Verbal score of 420 or below, are required to enroll in one or both of CRW 0302 College Reading and Writing I and CRW 0303 College Reading and Writing II (depending on the level of the score) in their first semester and earn at least a C (70%). Upon completing the necessary remedial course(s), students will take the Accuplacer to determine whether or not they are eligible to enroll in ENG 1113 Composition and Rhetoric I. On the first day the class meets, students will take LABI English Placement Exam. That score, along with the ACT/SAT English score, will determine the student's final English course placement for the semester.
7. Reading Development: Upon initial enrollment, students with an ACT Reading score of 16 or below or an SAT Verbal score of 420 or below are required to enroll in one or both of CRW 0302 College Reading and Writing I and CRW 0303 College Reading and Writing II (depending on the level of the score) in their first

semester and earn at least a C (70%). Upon completing the necessary remedial course, students will take the Accuplacer to determine whether or not they are eligible to enroll in ENG 1113.

8. Math Development: Upon initial enrollment, students with an ACT Math score of 20 or below or an SAT Math score of 490 or below are required to enroll in MTH 0304 Developmental Math in their first semester and earn at least a C (70%). Upon completion of the necessary remedial course, students will take the Accuplacer to determine whether or not they are eligible to enroll in MTH 2123 College Algebra.

### **Repeat Courses**

A student receiving a grade of D or F may repeat the course for a higher grade. This new grade will replace the old one in calculating the grade point average.

### **Academic Probation**

*Definition:* Academic Probation is a term used to designate a period of close academic supervision, generally including reduced allowable curricular activities to improve unsatisfactory academic performance.

*Restrictions:* Students under “Academic Probation” are not permitted to participate in any extra-curricular activities such as traveling groups, chapel leadership/music, summer tours, holding office in clubs, classes, or student body. When students are placed on “Academic Probation” they are not permitted to register for more than 9 hours unless otherwise approved by the Vice President of Academics. Additional disciplinary action may be applied at the discretion of the Academic Office.

*Causes:* A student’s official transcript will reflect academic probation following any semester in which one of the following conditions exist:

1. A student’s current cumulative Grade Point Average drops below a C average (2.0).
2. A student does not achieve passing grades in at least one-half of the credits attempted in a semester.
3. When a student receives a grade of F for six (6) credits or more in any given semester.

### **Academic Suspension**

Any student who incurs academic probation in two consecutive semesters is subject to academic suspension the following semester. Any student who is placed on academic suspension breaks continuous enrollment and therefore must reapply for enrollment after one semester of suspension.

### **Mandatory Library Study Time and Tutoring Requirements**

Students deemed academically at risk by faculty or administration may be required to meet mandatory library study-time requirements or attend mandatory tutoring, coordinated through the Academic Office.

### **Incomplete Assignments**

All assignments or work missed due to late enrollment, or an excused absence must be made up within a one-week period. Under no circumstances may a faculty member accept classroom assignments after the close of the semester, except in cases of emergency. Any incomplete work not made up within four weeks after the end of a semester will automatically receive a “0” for that assignment and the final grade will be adjusted accordingly.

### **Make-Up Exams**

Approval for taking early or late exams must be obtained from the instructor and the Academic Office in advance of the exam date. An Irregular Final Exam Fee will be charged.

### **Classroom Behavior**

Students are expected to demonstrate a genuine Christian attitude and conduct at all times. The instructor may dismiss a student from class any time he/she deems necessary.

### **Class Attendance Policy**

CMC’s policy is simply stated in the phrase: Be there and be on time! Your assignments and examinations are only part of the educational process. Some things will only be learned during an in-class learning experience. Therefore, it is essential for each student to establish and maintain regular and punctual class attendance.

1. Attendance is taken every day in class. Students are required to attend 93% of the time a class meets during a semester in order to pass the course. CMC recognizes the possibility that a student may need to be absent from class due to emergency situations, serious illness, or unavoidable circumstances, but students must not exceed the maximum amount of absences allowed (3 absences for classes meeting 3 times per week; 2 absences for classes meeting 2 times per week; 1 absence for classes meeting 1 time per week). If the number of times a student is absent from class exceeds the number of absences allowed, the final semester grade will be reduced by a letter grade per absence. The validity for any absence to be excused must first be approved by the instructor and the Vice President of Academics.

A student is considered tardy if he/she is not present when roll is taken. If a class meets three times during the week, three tardies will constitute one unexcused absence. If a class meets twice, two tardies will constitute one unexcused absence. Students missing 15 minutes of class will be counted as absent. The validity for any excused absence must be approved by the classroom instructor. Students living in the dorms who are sick must notify their Resident Assistant (RA) by 7:15 a.m. that day. Students must notify their professor as early as possible by email if they will not be attending due to a sickness.

2. School Assignment: An absence due to participation in a ministerial activity will be considered by the President's office only if the activity does not conflict with the school's policies, calendar of events and the activity is in the best interest of the school. CMC reserves the right to restrict any off-campus trip of a non-emergency nature that could prevent a student from attending class.

3. Tardiness: Students must be punctual for all classes and any other official school activity. A student is considered tardy if he/she is not present when roll is taken. Three tardies will constitute one unexcused absence. If a class meets twice a week, two tardies will constitute one unexcused absence. Students missing 15 minutes of class will be counted as absent.

4. Use of cell phones and text messaging is prohibited during class time.

5. Laptops used during class are at the discretion of the instructor.

6. Class cutting: This is determined when a student chooses deliberately not to attend a regularly scheduled class. In this case, the student will be subject to disciplinary action.

7. Class walking: Students will be permitted to leave a class without penalty if the instructor does not appear within 20 minutes of the time scheduled for the class to begin.

### **Leave of Absence**

Written requests for a leave of absence will be considered and such a leave may be granted to students at the discretion of the Office of Student Services with the approval of the Office of Academics.

### **SAP Policy for FSA**

All students must meet certain standards of academic achievement to receive federal student aid (FSA).

The "qualitative" standard requires the student to achieve a minimum grade point average of 2.0 (on a 4.0 scale) and must maintain a cumulative grade point average of at least 2.0 for the remainder of the program. Students who do not meet this requirement when they are evaluated at the end of the semester will be placed on a Financial Aid Warning period at the beginning of the following semester.

The "quantitative" standard requires that all students successfully complete their program of study within 150% of the normal time frame for completing the program to receive FSA. For this reason, course load requirements for the next semester are determined when they are evaluated at the end of the current semester. If a student is not meeting the course load requirements at their current pace and would not graduate within 150% of the current time frame, he/she will be placed on Financial Aid Warning the following semester for not abiding by the CMC required time frame. Additionally, in order to ensure completion of the program within the maximum time frame, CMC requires program students to successfully complete 2/3 of all credit hours attempted each semester. Students who fail to successfully complete 2/3 of credit hours attempted will also be placed in financial aid warning period from the time they are evaluated until the end of that next semester.

While on a Financial Aid Warning period, a student will be required to have an initial meeting with the Office of Academics to determine an appropriate intervention strategy based on the individual student's situation. The

student will be required to comply with the agreed upon measures. If the student fails to do so and still does not meet SAP standards, he/she will be placed on Financial Aid Suspension the following semester.

While on Financial Aid Suspension, a student is no longer eligible for Title IV funding, until the end of the following semester when they are reevaluated for FSA eligibility.

## **Artificial Intelligence**

### STATEMENT ON ARTIFICIAL INTELLIGENCE

With the recent development of artificial intelligence (AI) services, particularly text-based language models, such as ChatGPT and Google Bard, and their seeming effectiveness in generating prompt-based text responses, Christ Mission College has taken a stance against their use in the academic field. Students are strictly forbidden from using any AI services, whether they are text-based language models or not, to assist in the completion of their assignments. Use of such services to assist in the completion of assignments will be considered academic dishonesty and result in disciplinary action.

These are the policies and procedures found later under XVII. TECHNOLOGY AND ACADEMICS POLICIES AND PROCEDURES (Article 17).

### Inappropriate Uses of Assistive Technology

Using Artificial Intelligence (AI) to assist in the completion of assignments.

1. Students may not use AI services or tools for anything relating to their academic work. This includes, but is not limited to:
  - a. Generating ideas or prompts.
  - b. Generating a written statement.
  - c. Having a language model AI rewrite one's own work.
  - d. Feeding one's own work into a language model AI to produce a higher quality variant.
  - e. Asking a prompt-based AI for research advice.
  - f. Asking a prompt-based AI to summarize an assigned reading.
  - g. Asking a prompt-based AI to answer assignment questions.
2. Students are strictly forbidden from promoting the use of AI services or tools.
3. Students are highly discouraged from using AI services or tools to study. Prompt-based language model AIs commonly produce inaccurate or incorrect information. Therefore, students should not refer to them as they are not scholarly sources of information.
4. Any use of AI services or tools to assist in the completion of assignments will be considered academic dishonesty and result in disciplinary actions.
5. Faculty are highly discouraged from using AI services to assist in the instruction of students.
6. Staff members are highly discouraged from using AI services to assist in the completion of work.

### Grammarly

Grammarly is free-to-use proofreading software designed to assist students in correctly formatting their papers.

- Students are allowed to use Grammarly for the express purpose of editing and proofreading their papers.
- Grammarly also offers AI-assistive features. These features allow users to enter a prompt or keywords to generate different types of written statements, such as a thesis.
- Students are not allowed to use these AI generative features of Grammarly while writing, proofreading, or editing their assignments.
- Usage of these AI generative features falls under the previously stated "Inappropriate Uses of Assistive Technology" policy.
- Failure to comply with this policy shall result in disciplinary actions.

## **Student Wi-Fi Terms & Conditions**

CMC expects the student to become familiar with individual and institutional responsibilities for the use of the college student Wi-Fi and to protect its electronic information. By choosing to use student Wi-Fi service, the user agrees to abide by the college Student Wi-Fi User Agreement (below). All relevant School rules, regulations, and policies apply.

- The password to networks available to students will be posted and announced at the beginning of each semester enrolled.
- The student Wi-Fi networks can be accessed from any Wi-Fi enabled device, such as a laptop computer or smartphone.
- Though the student Wi-Fi networks are designed to cover all the campus common areas, no guarantee is made for signal strength or availability.
- Printing is not available via student Wi-Fi network. Printing is only available during library hours and to be done by the librarian or library assistant.
- Although wireless connections are secured with encryption, the school is not responsible for users who transmit credit card information, passwords or any other sensitive personal or business information over the student Wi-Fi network. Anti-virus and security protection are the responsibility of the user and not the school.
- CMC reserves the right to terminate a wireless Internet session at any time.

## **Student Rights with Regard to Education Records**

In compliance with Public Law 93-380, Family Educational Rights and Privacy Act of 1974, you are hereby informed of your rights with regard to education records made at CMC.

- CMC officials, who have legitimate educational interests, have access to the records. Officials of other schools in which the student seeks to enroll will have access to these records upon the written consent of the student.
- Also having access are authorized representatives of the Comptroller General of the United States, the Secretary, the Commissioner, and the Director of the National Institute of Education. In connection with a student's application for receipt of financial aid, access is granted to state and local officials or authorities to which such information is specifically required to be reported or disclosed pursuant to state statute adopted prior to November 19, 1974 (nothing in the paragraph shall prevent a state from further limiting the number or type of state or local officials who will continue to have access there under).
- Access is granted to organizations conducting studies for, or on behalf of, educational agencies or institutes for the purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students and their parents by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose in which it is conducted.
- Accrediting organizations will have access rights in order to carry out accrediting functions.
- Records may be viewed in compliance with judicial order or pursuant to any lawfully issued subpoena, upon condition that the students are notified of all such orders or subpoenas in advance of the compliance therewith by the educational institute.
- Student records will be updated each semester enrolled and coursework with grades and total grade point average are figured for the semester's work.
- The student has the right to inspect his/her records maintained by CMC. To do this the student must request the permanent record from the Academics Office. Also, if the information contained in the file is determined to be incorrect, the right to a hearing to change, delete, or write explanations regarding the information in

question will be granted. Should a file contain information on another student, only that information pertaining to the inquiring party will be provided.

- The student has the right to waive the option of reviewing recommendations for admission. The student opting to waive the right of inspection may sign the form “Student Waiver of Rights” provided in the Academics Office or sign the “Waiver of Rights” provided on the front of the recommendation forms used for admissions purposes. The student is not required to waive the right of inspection and would in no case be refused admission, or any of the services offered by CMC, because of failure to sign the waiver.
- The student has the right to challenge the content of his/her education records. To do this, the student should request the form “Request to Amend or Remove Educational Record” from the Academics Office. After completing the form, it should be presented to the Main Office Coordinator, and in the event the request is not approved, a date of the hearing will be set. The student may be present during the hearing and will be notified on the day of the hearing of the action taken. A scheduled fee is charged for a copy of a transcript.
- Students have until the last day of late registration to request that “Directory Information” be withheld from the public. Pursuant to the Family Educational Rights and Privacy Act of 1974, “Directory Information” includes a student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institutes attended. If one does not want the “Directory Information” made public, he/she needs only to sign the form, “Notice to Withhold Directory Information” that is available in the Academics Office.
- This law does not grant the right to contest the grade given for the student’s performance in a course, or the right to examine an instructor’s grade book.

**Questions regarding the rights provided by Public Law 93-380, Family Educational Rights and Privacy Act of 1974 should be directed to the Main office.**

## SPIRITUAL LIFE

We firmly believe CMC is where a student lays his/her foundation for the future. As one grows in knowledge, we believe they should also grow in spiritual maturity. Students are given time for personal Bible study and prayer. Weekly dorm devotionals and mission's prayer groups also assist in fortifying our commitment to the spiritual development of each student.

### Personal Devotionals

All students are strongly encouraged to make time for personal and meaningful devotionals for the sake of their personal walk with God. It is believed that when students spend time alone in prayer and in the study of God's word as part of their daily schedule, they will develop into Christians of faith, power, and love. Fridays are designated as a *Day of Prayer*, therefore, the chapel will be available after the service for students to pray together.

### Missions

Missions is the heartbeat of CMC. Students are involved in weekly mission prayer meetings and in various missions' outreaches both foreign and domestic. Also, each year students work on various projects to raise money for missionaries and their needs. Missions Prayer will be every Tuesday night at 8:00 p.m. All students, both on and off campus, are required to attend. Any exceptions to this rule will need to be approved by the Missions Department.

### Restoration in the CMC Community

We are a community that offers support and healing for people struggling in various areas of their spiritual life. CMC will consider whether the student is sincere in pursuing assistance or if disciplinary action is necessary. A redemptive process of counseling and guidance is available to those students who genuinely desire restoration as they continue with their commitment to the CMC community.

### Discipleship Stairway

CMC's Discipleship Stairway is a discipleship development plan as part of the co-curricular program that is designed to assist students in their discipleship journey. Students are assessed using a discipleship stairway system with the following steps: 1. Believers 2. Christians 3. Disciplers 4. Servants 5. Sent Ones. Each step is in line with the biblical framework for a disciple/disciple maker and equipper according to Matthew 28:18-20 and Ephesians 4:11-13. The following areas are assessed every semester: Student Life, Spiritual Life, Character/Attitude, Leadership, Academics, and Stewardship. The results of each student's Discipleship Stairway ongoing review are then used to tailor an individualized learning plan that fosters both spiritual and personal growth.

### Campus Devotionals

Every Tuesday night at 9:00 pm is designated as dorm devotional time. These devotionals are directed by the Dorm Pastors. The Married Couple Pastors and the Commuter Pastor will meet their respective groups on a designated night that has been approved by the Vice President of Student Services. CMC devotional meetings are required for all students to attend.

### Special Services

CMC plans and conducts special services throughout the semester such as: "Holy Spirit and Fire Week," Missions Conventions, graduations, banquets, college days and other special events and services. **Attendance of both on and off-campus students is required. (Note: See Academic Calendar on pg.18-19).** Any exception to the change of this rule will need to be requested by the Office of Student Services.

### Chapel Attendance/Participation

Regular Chapel attendance and Horaquieta services are required of all students taking courses at CMC. Full-time students (taking 12 hours or more) are required to attend chapel five (5) days per week. Part-time students living off campus who are enrolled under 12 hours are required to attend chapel on the days which they attend class. Off-campus students are encouraged to attend horaquieta (Morning Prayer). Those who are living on campus will be required to attend regardless of hours enrolled. Anyone unable to attend chapel or horaquieta (Morning Prayer) for any reason should fill out an excuse form on the "Student Info Center" tab on the CMC website ahead of time for

an approved excused absence. Failure to do so will result in an unexcused absence. Students will be considered tardy if they are not present at the time chapel is scheduled to begin. Two tardies will constitute one absence. Demerits will be given for each absence and unexcused tardy a student acquires.

If and when a student leaves chapel and is not present for 15 minutes or more at any time during the service, he/she will be considered absent and subject to disciplinary action. Students may not be excused from chapel to complete class assignments such as: reports, term papers, or studying for exams.

Student chapel grade will be based on the following:

- Attend all chapels unless otherwise excused
- Minimal unexcused tardies
- Participating and engaging in all chapel/discipleship services.
- Engaging through prayer, bible reading, discussions, and fellowship.
- Demonstrate growth and knowledge in Christ's mission to the CMC community and the world at large.
- Adhere to the Chapel Code of Conduct.

At any time during the semester, when a student's attendance/participation falls to an unacceptable low due to excessive absenteeism or lack of student participation, the student will be subject to disciplinary action.

Students under disciplinary probation due to an "excessive absenteeism of chapel services" will not be permitted to participate in any extracurricular activities, such as traveling groups, chapel leadership, school musicals/programs, hold an office in organizations, classes, or student council, or engage in a school activity which puts them in a visible, public role while the probation is in effect.

Chapel Times:

Horaquieta- 7:30AM – 7:45AM

Chapel Weekly Services- 11:00AM – 12:15PM

Chapel Attendance

CMC considers its chapel services as an important part of its program. Every student may develop their own personal spiritual growth through regular attendance and participation in these services. Guest speakers are invited to participate along with the faculty and students in a time of word and worship every morning, Monday through Friday.

Monday- Praise & Worship Chapel

Tuesday- Discipleship Groups

Wednesday- President's Chapel

Thursday- Missions Chapel

- 

### **Church Internship**

All CMC students are required to attend a church service on Sunday morning and a mid-week service at a CMC approved church. Any exceptions to the change of this rule will need to be approved by the Student Ministries Director. Sunday evening attendance will depend upon the church. If the church does not have an evening service either on Sunday night or Wednesday night, students will need to attend devotionals taking place in the Student Center from 7 to 8 p.m. After the devotion, the student is allowed to leave off campus or stay in the dorm to study for classes. Any exceptions to the change of this rule will need to be approved by the Student Ministries Director.

### **Church Assignment Guidelines**

Each student is required to report his or her church attendance and ministry involvement.

1. Students will be assigned to a CMC approved church by the second week of the semester.
2. Students are required to attend services at the church which the student has agreed to attend for the duration of the semester.
3. Students who do not have church on Wednesday or Sunday Night will be required to attend devotionals on campus.
4. Students are required to track and turn in their attendance to the office of the Student Ministries Director via Track it Forward. Each student is required to keep track of his/her own involvement at their assigned church. Hours will be approved by their assigned Pastor and reported to the Student Ministries Director.
5. Excessive absenteeism will be considered a major infraction.
6. Students who do not attend service at the church they have committed to for the duration of the semester, without proper authorization, will be subject to disciplinary action.
7. Students must notify the Student Service Office, as well as the Pastor of the church they have committed to by Wednesday night service if they will not attend church due to a trip out of town, etc.
8. CMC reserves the right to change a student's church assignment at the discretion of the Office of Student Services.
9. Students will be assessed following the Institutional Student Learning Outcome #4 "Students will become family, church, and community servants" and the Co-Curricular SLO, "Students will become community servants in the local church under the mentorship of a pastor".

### **Student Ministries**

CMC's primary objective is the equipping of individuals to enter worldwide Christian service. Supervised training is given to students in conjunction with their field of study. Therefore, student ministries compliment academics with essential practical training opportunities in Christian service. Students at CMC are encouraged to put their learning into practice through personal ministry. The following is a list of ministries available at CMC:

**Community Ministry** is a ministry that consists of serving Helotes and local churches through local outreach, street evangelism, and volunteer work. Volunteer work consists of the following: street and park cleanups, food bank volunteers, neighborhood cleanup, and painting.

**Children's Ministry** is a ministry that consists of individuals who have a passion for children of different backgrounds and consists of ministering through skits, songs, games, and preaching in church services, children's homes, and outreaches.

**Sound and Media Ministry** is a ministry that runs the sound system for chapel and school events to provide necessary support for services and events. This ministry also involves running the media booth in the chapel and developing video clips through video footage, pictures, recordings, and interviews to minister to the non-churched, congregations, chapel services, promotion, college days, and video yearbooks.

**Compassion Ministry** is a ministry that focuses on serving the city of San Antonio through acts of service, community service, and labor services. CMC partners with local organizations/ministries to provide the compassion ministry with opportunities to serve.

Ministry means service. That is why Student Ministries hold up Jesus' life of servanthood as the authentic model for Christians to follow. Jesus stated, "Whoever wants to become great among you must be your servant, and whoever wants to be first must be the slave of all. For even the Son of Man did not come to be served, but to serve..."

### **Summer Internships**

Internships are a vital part of CMC's co-curricular program. We believe experience is developed through practice, and internships are a way in which students can put into practice what they are learning under the guidance of a CMC-approved pastor. Two summer internships are required for students in the B.A. program and one for students in the A.A. program. Students are assigned to an approved summer internship based on their classification. As part of their summer internship requirements, students must have a minimum of 120 hours approved by the internship host, be in good standing with the internship, and show proof of spiritual growth under the guidance of the internship host. Internships are opportunities for students to grow, and students interested in completing an internship must first be in good standing with CMC. The Office of Student Services will first review the student's overall discipleship stairway before being approved to participate in an internship.

### **Co-Curricular Requirements**

- Fifteen credit hours per semester (120 hours, including one practicum)

All admission standards apply during the entirety of the student's enrollment including breaks between semester, winter, and summer break.

## STUDENT SERVICES

### Orientation

CMC has pledged to help the new student adjust to the various parts of campus life. This begins even before the student arrives on campus with various communications to help answer any questions they may have. There is a time appointed at the beginning of each semester for orientation purposes. All incoming and returning students are required to participate in these exercises to help acquaint themselves with the various programs of the school.

### Campus Safety

Campus Watch provides parking tags for vehicles of the students enrolled at CMC. Safety patrols occur every day to secure the campus. Incidents of theft, vandalism or other criminal or questionable activity should be reported to the Main Office in the A.O. Martinez Administration Building.

### Late Night Entry

For the common protection of our student population, Resident Hall entrances are locked promptly at the scheduled curfew times. On-campus students arriving after curfew are to report to the Resident Assistant or to the Dorm Pastor. Each student will sign in and gain entry to their respective Resident Halls. Reports of late entry will be forwarded to the office of Student Services. Failure to comply with proper procedure will result in disciplinary action.

During on-campus emergencies of any kind, Campus Safety can be reached at (970) 596-5675. In cases of imminent danger, or life-threatening emergencies, immediately contact San Antonio Police by dialing 911, and then notify his/her Dorm Pastor. For non-emergency criminal behavior or activity, contact Campus Safety, the Dorm Pastor, and the Vice President of Student Services, or a CMC Administrator.

In support of the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act of 1989, CMC has adopted the following policy statement as conditions of enrollment and/or employment:

1. As a condition of enrollment/employment, the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance or alcohol is prohibited at any time.
2. CMC will comply with all applicable legal sanctions under local, state, and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol.

(See Major Infractions).

8. CMC will conduct an annual review of its program to:
  - a) determine its effectiveness and implement changes if they are needed.
  - b) ensure that the sanctions developed are consistently enforced.

### **Student and Employee Sexual Assault/Harassment Policy**

In support of the Crime Awareness and Campus Security, CMC has adopted the following policy statement with regard to sexual assault and racial violence:

CMC, in accordance with high Christian standards of living, is committed to the pursuit of a morally pure environment. This moral purity touches the entire scope of human relationships. Preaching, teaching, properly orienting our students, and modeling this commitment on our campus prevents many of the problems with which our society struggles. CMC's standards are described in detail in the Student Handbook under the following subheadings: Personal Life, Biblical Standards and Community Standards. Information concerning sexual assault may be obtained in the office of Student Services. Procedures, in the unlikely event that an assault on campus should occur, students and employees are expected to contact their most immediate campus authority for reporting purposes. This would include but not be limited to a Dorm Pastor, Campus Safety, and the Vice President of Student Services or any other CMC Administrator. For incidents, which occur off campus, immediate recourse is to contact the local police.

### **Sexuality and Gender Identity**

Members of the CMC community are expected to live in congruence with the Scriptural teachings and tenets of the Assemblies of God which include views on human sexuality and gender identity. We believe God created two distinct sexes, male and female (Genesis 1:27; Matthew 19:4-5), and our sexuality is a gift from God reflecting who we are as humans, designed for His purpose to do the good work He has called us to do. We regard sex at birth as the identification of a person's biological sex and do not support attempts to alter one's birth sex in favor of an opposite psychological gender. This statement is not meant to reflect those rare situations concerning congenital disorders of sex development.

We believe God designed sexual intimacy to be expressed solely within a marriage between a male and female (1 Cor. 6:9; 16-20) and sexual intimacy outside of that marital relationship, as recorded in Scripture, violates the will of God. We do not support acts of sexual behavior (opposite-sex or same-sex) other than those that occur in legal marriage between a male and female.

### **Fundraisers**

Only school related projects approved by the Administration will be permitted on campus. The group sponsor must ensure that all projects are approved by the Administration and permission is granted well in advance. No solicitation of any kind is permitted at any time.

### **Credit**

Students are strongly discouraged from buying on credit while enrolled at CMC. CMC assumes no liability for any debts incurred by any student, nor will it give a credit reference.

### **Policy for Group and/or Class Meetings or Announcements**

Only school-approved organizations are entitled to have group meetings and make or post announcements. Permission to hold a meeting must be secured and attended by the designated sponsor through the Office of Student Services. The Office of Student Services must approve all announcements and the posting of flyers.

## Personal Life

CMC is always concerned about the personal life of its students. All students (married or single, off campus or on campus) are expected to conduct themselves at all times in accordance with the teaching of the Word of God, the accepted standards of the Assemblies of God, and the standards of conduct held by CMC. CMC students must realize the importance of being examples of Christian living both on campus, off campus, during school breaks and holidays.

## Dating

Students are encouraged to follow the teachings of the Word of God when dating so that their conduct does not bring reproach upon the cause of Christ. Students are not permitted to date non-Christians while enrolled at CMC. Students are warned against any practices that may be interpreted as stalking or sexual harassment. Students are encouraged to wait six months before considering a relationship. If a couple chooses to date, they need to notify the Student Life office for accountability.

## Guidelines for Establishing Friendships between Members of the Opposite Sex

Students are encouraged to follow the teachings of the Word of God while they learn to establish friendships with each other. CMC permits students to meet, sit together, talk, and engage in social activities while getting to know each other. It is extremely important that any friendship with a member of the opposite sex reflect the utmost purity of Christian character. Students have a right to know what their school considers appropriate behavior in their dating relationships. The following standard of conduct has been adopted, will be applied, and enforced. It is expected that students will demonstrate public and private behavior in their dating relationships that is glorifying to God and in keeping with a Christian testimony. They need to be sensitive to those around them and should not conduct themselves in an offensive or inappropriate fashion.

## Public Behavior

Public behavior with the opposite sex that is considered appropriate in places understood to be public and in places occupied, open to and in full view of others. The following is considered **appropriate** public behavior by couples at CMC:

- Sitting together
- Holding hands when not in chapel and classes
- A discreet, brief hug

The following is considered **inappropriate** public behavior by couples at CMC:

- Leaning or laying on each other
- Hugging, kissing, or caressing each other
- Body Massages

Everyone needs to be sensitive to those around them and should not conduct themselves in an offensive or inappropriate fashion.

**Note:** The Vice President of Student Services, Administrative Assistant, Dorm and/or Commuter Pastors, Resident Assistants, Faculty, and Staff have the authority to interpret, apply, and enforce these and all other Student Handbook guidelines under the supervision and discretion of the CMC Administration. Students who violate them may be reported to the Vice President of Student Services, or the Dorm and/or Commuter Pastors who may initiate disciplinary action.

## Private Behavior

Private behavior is that behavior with the opposite sex that is considered appropriate in places not designated as public or commonly understood as public. Places that are private in character and nature—times when a couple is alone, no presence of another person or couple, away from others. It is expected that Christian couples will always conduct themselves in a way that avoids undue temptation and is glorifying to God. In light of that, the following things will be considered inappropriate private behavior for couples at CMC:

- Laying on each other
- Petting, fondling, or caressing each other
- Extended periods of heavy kissing or hugging
- Visiting each other's residence
- Sexual relations of any kind or degree outside of marriage are strictly forbidden.
- Body massages

Couples are not permitted to leave the campus alone together (or two members of the opposite sex) to be alone "privately" while traveling in a car or while away from the school campus. Approval can only be given at the discretion of the Dorm Pastors, and the Vice President of Student Services. Certain cases may be approved only by the Vice President of Student Services. Students may fellowship and visit with a member of opposite gender during daylight hours within the campus boundaries and during the evening hours within the campus boundaries in areas that are properly lit.

**Note:** The Vice President of Student Services, Administrative Assistant, Dorm and/or Commuter Pastors, Resident Assistants, Faculty, and Staff have the authority to interpret, apply and enforce these and all other Student Handbook guidelines under the supervision and discretion of the CMC Administration. Students who violate them may be reported to the Vice President of Student Services, or the Dorm and/or Commuter Pastors who may initiate disciplinary action.

### **Engagement and Marriage**

It is essential that students should not let anything interfere with God's will for their lives, the attainment of which is the purpose of attending CMC. In some cases, relationships are formed between Godly students that may result in the desire for Holy Matrimony. Yet, students that are contemplating marriage are strongly encouraged to avoid hasty engagements and especially marriage while attending school. Counseling in these matters will be required for the students through the Office of Student Services. Students are not permitted to marry during a school term without permission from the Administrative Committee.

### **Divorced Student Guidelines**

Each student should be able to properly evaluate his/her conduct in light of his/her personal commitment to Jesus Christ. However, the possibility of mitigating circumstances, such as different interpretations as to standards by different congregations, has prompted the following standards of conduct for CMC. Failure to adhere to the standards may result in the student being terminated from CMC.

Individuals who are divorced but not remarried and whose former spouse is still alive may be admitted only under the following conditions:

1. The divorce must have been legally finalized for at least three months prior to admission.
2. The applicant must agree to preregistration counseling with the Vice President of Student Services and to reside off-campus if required. The decision made concerning each case will be based upon the facts found in each individual case.

4. The wooded area is off limits to all students, at all times.
5. The areas designated as "privacy zones" should be respected at all times. This means that persons of the opposite sex should not venture past the designated areas for any reason.

- a. Students who participate in the Work Study Program must have their job assignment properly completed or get someone to substitute their position.

3. Delayed Return to Campus: A student who is delayed in returning to campus must notify the Dorm Pastors immediately. Arrangements will be made to provide assistance if necessary.

4. CMC strongly prohibits any private visitations by opposite sex to either party's domicile. Under no circumstances may a student visit overnight the home of an opposite sex without the parent's invitation and assurance that they will be at home. In such cases the parents of the home being visited must call to make arrangements with the Office of Student Services.

5. Single students are not permitted in the residence of single students/staff of the opposite sex. Students who are found to have been in the residences and/or dorm room of the opposite sex may be terminated from the enrollment of CMC. ## **Disciplinary Probation**

A student may be placed on “disciplinary probation” by the Vice President of Student Services or the Discipline Committee for accumulating excessive demerits or for committing any major/minor infractions or a major offense.

- When a student is placed on disciplinary probation, the Discipline Committee shall write a letter to the students’ parents or legal guardian explaining the circumstances leading to the disciplinary probation if the student is eighteen years of age or younger, or if the parents are responsible for the student's account.
- Students under disciplinary probation will not be permitted to participate in any extracurricular activities including the following: traveling with a student group, sports activities, participating in school musicals or other programs, summer/holiday tours, chapel ministry or holding office in clubs, classes, or student government.
- When a student under disciplinary probation commits any offense, that student will be requested to appear before the Discipline Committee. At that point, all infractions will be considered and treated as major infractions and may result in an automatic suspension from enrollment for at least one semester. Readmission shall depend upon evidence of genuine repentance and resumption of good behavior and self-discipline. A letter of recommendation from the home pastor will also be required.
- Any student who incurs disciplinary probation for two semesters in a row will be suspended automatically.

Notice: When a student is suspended for any reason, continuous enrollment is broken and therefore invalidates the current Financial Assurance Plan.

## **Discipline Committee**

CMC holds that every student upon signing the application for admission is under moral contract to the school regulations when that student enrolls in the school. Consequently, each student is responsible for disciplining himself or herself to live within the limits of the school rules. Because the student body is composed of persons who are devoted to Christ and who consider Christian submission and humility valuable assets to the building of strong character, students should happily discipline themselves to comply with the campus policies. The Administration, Faculty and Staff are available to help with self-discipline problems. When a student is asked to appear before the Discipline Committee the following process will be initiated:

1. The student will be notified verbally or in writing by the Vice President of Student Services to appear before the Discipline Committee.
2. The committee will discuss the violation(s) with the student, and the student will be permitted to give an explanation for his or her behavior.
3. The Committee has the right to recommend that the student be suspended if they are convinced that the infraction(s) merits such discipline, or the terms of disciplinary probation have been violated.
4. The decision of the Committee shall be communicated to the student by the Chairman of the Committee and a time of reflection and prayer will be initiated by the Chairman.
5. The decision of the Committee will be communicated to the parents or legal guardian of the dependent student by the Vice President of Student Services by letter or phone.

## **Suspension Procedures**

CMC reserves the right to suspend a student because of low standards of scholarship, poor attitude, or a conflict of attitudes and standards of behavior with those of the school.

1. In the event a student is suspended from school, he/she will be required to contact his/her parent or guardian immediately. In case a refund is due, the refund will follow standard refund policies applicable to student withdrawal.
2. Students who are readmitted after suspension for disciplinary reasons will be placed on disciplinary probation for the first semester after their return. Any further violations could result in termination of the student.
3. Students who are suspended will be required to vacate the campus no later than 24 hours after the decision to suspend has been rendered.
4. A married student living on campus who is suspended will be required to vacate the campus housing within one week of the decision to suspend has been rendered.
5. A student denied admission or suspended for disciplinary reasons is not allowed on campus unless given

special permission via the President's Office.

6. A student who is suspended may appeal the decision by writing a formal written appeal to the Administrative Committee within twenty-four hours of the decision to suspend the student.
7. The Administrative Committee shall meet to discuss the appeal within 7 days after the letter of appeal is received. This decision will be considered final.
8. If no formal written appeal is received by the administration within the prescribed time, the decision will be considered final and may not be appealed.

## Complaints and Grievances

Student grievances begin at the complaint level in the exception of physical or sexual harm. CMC regards student complaints and grievances with appropriate attention. CMC has adopted a Matthew 18:15-17 model for dealing with student complaints. Students with a sensitive grievance are advised to speak immediately with an Office of Student Services staff member of the same sex. The staff member will then notify the Vice President of Student Services of the grievance, and it will be directed to the appropriate administrative area.

1. Students are advised to first bring up their complaint to the person whom the offense is with if safe and appropriate. CMC representation will not be present at this point. *Students whose grievance include any physical harm or sexual harassment should not go to the person with whom the offense is with but must instead notify the Office of Student Services immediately after the incident has occurred for proper proceedings in accordance with CMC's Student and Employee Sexual Assault/Harassment Policy and Title IX.*
2. If the complaint is unresolved, the student will speak with their dorm pastor/commuter pastor. A meeting will then be scheduled between the two parties involved with CMC representation present, in which the student will make their grievance known in the presence of two or more people.
3. If the complaint is still unresolved, the student may bring it to the Vice President of Student Services by submitting a complaint form with the Office of Student Services.
4. If the student feels that their complaint has not been dealt with after speaking with the Vice President of Student Services, he/she may submit a formal grievance in writing to the Office of Student Services by email after which an official review will be initiated. If the Institution's attempts to process the complaint are unresolved, it may be decided to administratively move the complaint to a formal grievance.

When an official grievance has been submitted, the Administrative Committee will assign an appropriate Administrator to oversee the grievance process. The Administrator assigned to oversee the grievance must be able to handle the matter without bias within the area of their administrative duties.

When reviewing a grievance, the following information will be logged:

- Who?
- What?
- To Whom?
- When was the initial complaint made?
- Record all attempts made to resolve the matter.
- Was the matter resolved?

A document signed by the student stating the grievance was resolved will be received. After having followed protocol, if the matter is not resolved or if the student refuses to sign a document, the Institution can make a determination to resolve the matter. The President would sign the document.

## CMC COMMUNITY COVENANT

### Discipleship in the CMC Community

*"Jesus said to his disciples, 'Whoever wants to be my disciple must deny themselves and take up their cross and follow me'"* (Matthew 16:24 NIV). CMC is at its core a discipleship community of believers in Christ who choose to deny themselves, take up His cross, and follow Him and His mission in the world.

The word of God in 1 John 2:5b-6 (NIV) also says, *"This is how we know we are in him: Whoever claims to live in him must live as Jesus did."* CMC offers opportunities for growth, support, and healing for people in various areas of their lives including when they experience struggles to live as Jesus did. CMC takes into account when a student is sincere in their growth to pursue appropriate assistance when needed or if disciplinary action may be necessary. A redemptive process of guidance is available to struggling students who genuinely desire restoration as they continue to follow Christ and their commitment to the CMC Community and its Covenant.

### CMC Community Covenant Pledge

Therefore, all members willingly choose to become a part of the CMC community of Christ, and upon voluntarily making that choice, commit to growth as followers of Christ based on the Word of God, the Holy Bible, to live purposefully and intentionally to love God and serve others. Additionally, for the duration of their tenure at Christ Mission College (CMC), students pledge to follow all the community standards described in this Student Handbook known as the CMC Community Covenant.
